

**Kenwick Neighborhood Association  
Board Meeting Minutes  
2-26-08**

**1. Bungalow Tour**

Date selected: June 8, 2008, 1-5pm, same weekend as last year. Event to be advertised in American Bungalow magazine.

Suggestions: 146 Preston

Committee Meeting: First meeting TBD

**2. Next General Meeting: Code Enforcement**

- Bill Gillespie to schedule speaker on Code Enforcement.
- Announcement to be made seeking help with Safety update spreadsheet. Also note that the next Community Police Officer is to be assigned to the Kenwick Neighborhood.
- Agenda formalized.

**3. Upcoming Events Discussed**

- Spring Clean Up, from experience with this event last year, it was suggested we have formal sign-ups for participation. Can coordinate large item pick up with the city to coincide with the event. No date set.
- Flea Market at Kenwick Center 15-16 March, Sat 9-4, Sun 1-4. Will be in Herald Leader classified section.
- Annual Meeting and Officers election at May General Meeting
- Discussed possibility of a block party as this has been mentioned at several meetings. General response is that the neighborhood is too dispersed to make a general KNA party successful.
- Late April targeted for next distribution of a flier to the neighborhood. To be included: Bungalow Tour information, safety update, membership drive, Spring Clean Up and the Website information.

**4. Kenwick Center Update**

Kenwick Center is seeking teenagers and parents of children who use the Center to join the Board. Announcement to be made at next General Meeting.

**5. KNA Directions**

Discussed the following general services or areas of interest for the KNA:

- “Welcome Wagon” activities for newcomers
- Street signs or light pole banners with neighborhood designation
- Kenwick Logo added to street signs
- Getting more business involvement in the KNA
